

This is a self-support group. We get together for coffee and a chat. We talk about anything and everything; from how to face your first Christmas alone to the cost of car parking in Maldon!

We open at 10am and some people come and stay until 12 noon whereas others just pop in for twenty minutes. There is no commitment to come each time; you just come along when you need to.

If you feel you would like to come along but feel anxious about turning up on your own, please feel free to bring a friend with you.

We meet in the lounge at the back of the Baptist Church in Butt Lane, Maldon. (The church lounge is at the top of the gravel track that is on the left-hand side as you face the church) There will be sign boards.

Please call if you would like more details
